Dear Parents

SCHOOL FEES FOR THE PERIOD JULY 2019 TO JUNE 2020

The Board of Governors reminds parents and guardians that our school fee increase occurs in July of each year. The Board has made every effort to keep this increase as low as possible. Prompt and timeous payment of fees due by parents is of utmost importance for the management of school finances. We applaud parents' efforts to prioritise their children's education by enrolling them in our school of excellence and keeping their fees paid up to date.

Tuition fees are billed termly in advance and are payable in full by the first day of term, unless a debit order has been signed and there have been no returned debit orders against your account, in which case the full term's fee becomes immediately due and payable.

Enrolment fees

A non-refundable registration fee of **R 500.00** is payable for each application made and once accepted, a non-refundable acceptance fee of **R 1 000.00** is payable.

The Board of Governors and School Management would like to take this opportunity to thank parents who diligently honour their financial commitment to the school. Late payment of fees puts a strain on the school's ability to provide the high level of service that we desire to deliver to our St Catherine's families. Thank you to all our parents for your participation in the life of our school by attending functions, assisting where necessary and above all by giving your best attention to the efforts of your children in the classroom and on the sports field.
